MIDAS Minibus Driver Training

Training and Assessment of competence, driving and safety procedures given to Minibus Drivers of both Standard and Accessible Minibuses.

Speech and Language Support

Delivering training for staff working in primary schools to enable them to develop the speech and language skills of all children, but especially those with speech and language difficulties. Training focuses on different aspects of speech, language and communication and how practitioners can modify their practice in order to provide the best possible support for those with speech language and communication needs.
