School PE Co-ordinator – Harry Jones

Activity during 2020/21

School Allocation - £18,080

Activity	Impact	Cost Implication
School swimming pool was upkept and controlled to a high standard to allow for outside agencies to use and for Year 6 to use at the end of the year	The Year 6 children were able to have a few last sessions in the pool before leaving – they hadn't been able to earlier in the year due to bubbles and COVID-19. The school was able to build strong relationships with other outside agencies and companies by letting them use the pool.	Pool upkeep - £6000
Staff participated in online CPD on swimming, inclusive sport and ball games during the lockdown.	Teachers felt more confident teaching areas of the curriculum.	Staff training - £450
PE apprentices were hired to assist with PE lessons and playtime activities in different year group bubbles.	Children were taught by PE specialists and the school was able to help train and inspire the apprentices.	Wages - £6,362
Walk to Tokyo	All children participated in an inclusive challenge throughout the year to travel the equivalent miles from Liverpool to Tokyo.	Medals and route markers for the yard, etc... £455
New balls purchased for football and basketball	New equipment purchased to improve the quality of PE taught in lessons and during free periods of the day.	£510
Teachers had online CPD by Liverpool Football Club some teachers observed lessons in bubbles.	Staff confidence improved and the quality of lessons rose.	£220
Lifeguard Training for PE apprentices	We had fully trained lifeguards for school swimming lessons on-site.	£340
Children participate in a range of afterschool clubs including netball, football, tennis and multi sports –	Children were given the opportunities to join in with a range of competitive sport and	£700 for staff overtime

staff cover provided and overtime paid for selected staff members	learn a range of new skills.	
Playground packs were provided for every classroom which consisted of footballs, basketballs, tennis balls, ping pong sets and skipping ropes per class	Every class was able to participate in different forms of exercise and sport during playtimes and daily exercise slots, encouraging children to try new things and be active.	£668
LSSP Competitions Membership	Children were able to attend a range of inclusive competitions throughout the year building confidence and self-esteem.	£2,375

Sports Premium Objectives 2020/21

Our vision is to inspire all of our children to live a healthy and active life.

DFE Objectives Linked to Sports Premium

1. To improve the daily fitness of all children by fully establishing 'Daily Exercise' within the regularly daily timetable.
2. To ensure that all staff are confident at assessment of PE and delivering high quality lessons in all areas.
3. To introduce lunchtime competitions to build pupil self-esteem, team work and communication.
4. To build good relationships with the local sporting community and to invite a range of guests in to the school to inspire the children.
