

Springwood Heath Primary School

'Success through Caring and Learning'

Friday 21st June

Introduction

This past week has been a vibrant and creative time for our school as all classes participated in our much-anticipated Art Week. The enthusiasm and talent demonstrated by our children have been truly inspiring. Each class explored different artistic techniques and themes, resulting in some truly breath-taking masterpieces! As you are aware, these wonderful works of art will be showcased in a special exhibition. The exhibition will be held at the **Calderstones Mansion House** starting **Tuesday**. This is a fantastic opportunity for our children to see their hard work celebrated in a professional gallery setting and for us all to appreciate the diversity and creativity within our school.

We encourage all families to visit the Calderstones Mansion House to view the display and join us in celebrating the artistic achievements of our children! The exhibition promises to be a feast for the eyes and a testament to the creative spirit thriving within our school.

Y6 go to London!

Y6 are having an amazing time in London this week! The beautiful weather is really enhancing the experience. They have visited the Tower of London, Tower Bridge, have been to see a show in the west end and much more!

The teachers have reported how well behaved all of the children have been and we are so proud of them all for representing our school so well in the capital city. They are due to arrive back later on tonight and we look forward to hearing all about their adventure next week! A huge thank you to the staff for taking the children on this trip, as you can imagine, there is a lot of planning that goes into something like this and they are very full on days!

School Council Summer Fair

The School Councillors are hosting a Summer Fair on Tuesday 9th July 1.30 – 4.00 p.m. We are raising money for some equipment for our school which the School Councillors will help to decide upon, once we know how much has been raised. We need your help with donations for our Fair. The School Council representatives have arranged the stalls and activities each class are in charge of.

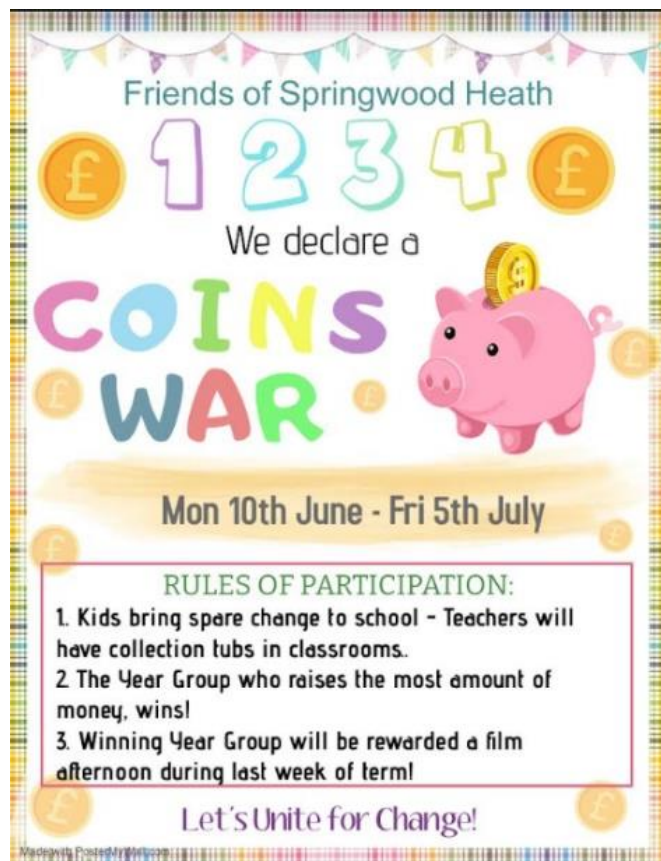

The stalls include sweets, doughnuts, soft drinks including milkshakes, cakes, books, toys, a children's tombola and a children's raffle. There will also be other activities that the children can participate in during the afternoon. For example, beat the goalie, guess the teacher, guess the number of sweets in a jar etc.

The School Councillors need your help to make this exciting event a huge success. Any donations of items for the stalls would be gratefully received. To help us with donations:

Date	Wear	Donate
